

## Free Online Car Repair Manuals

[Auto Repair Reference Center](#) provides quick online access to repair and maintenance information on most major manufacturers of domestic and imported vehicles. New repair procedures, TSBs and updates are added to the product on a regular basis. The database covers more than 37,000 vehicles from 1945 to present.

You will need your library card number and PIN (usually the last four digits of your phone number) to log in to ARRC. If you have any questions, call the Information Desk at 503-656-7853, x6.
